A MODERNIST'S DREAM
“The door handle is the handshake of the building.”

- Juhani Pallasmaa
A good creation, is a beautiful thing. A great creation, changes lives. This catalogue draws together a series of splendid creations from the House of Godrej exclusively curated to intrigue and delight.

With this collection, we take an opportunity to present 15 masterpieces from our range of premium mortise handles. Brought to you with utmost sensitivity towards fine craftsmanship and detail to design, these rare gems have been polished to enliven any interior.

Consecutively recognized by India Design Mark since 2014, an award for durable, aesthetically appealing, innovative and safe products, these handles have continued to win the hearts and minds of architects, interior designers and end users.

A few mortises adorning PVD coating come with a warranty of 15 years for their strong attributes of corrosion, tarnish and wear resistance.

Our constant urge to invent, innovate and excel as we grow has, lead us to create mutually value rewarding products and services. We hope to continue delivering an exquisite experience to your current and potential clients and connoisseurs like you!

Opening doors to Waves of Pleasure

Delightfully curated, Wave signifies elegance and leisure. Wave’s form is a reflection of its owner’s opulence and intimates their resolve of conforming only to the finest.
Ideal for bedrooms and leisure rooms.
Suitable for Walnut finish doors or light painted doors.
Form and function are evident even in the smallest detail. Wave was inspired from the flowing lines seen all over our visible spectrum. From doodles, to refined concepts to models and eventually to the award winning mortise it is now, Wave has been a sheer pleasure to make.
Walking into a space with confidence, you know you have created it and you own it all. Proudly curated, Yuko opens doors to your very own. Taking pride in its eccentricity, stark edges and smooth surfaces, Yuko is an emblem of prestige.
Ideal for main doors of homes or for corporate houses.
Suitable for Ebony door finish or White painted doors.
Blade comes with Honour.

Honour comes with dignity and actions. It is a reward like none other. Respectfully curated, the detail in the handle form makes all the difference. Blade wholesomely appeals to the senses and when installed, raises the charm quotient of the door.
Ideal for studio apartments and commercial spaces. Suitable for Teak or White Ash door and finish.
Sketches, models, prototypes and manufacturing, Blade was interesting and challenging to make at the same time. Ergonomics, form, function, material, finish; each aspect has been delved into to bring to you a handle of such extravagant quality.
Unique in its design, a work of fine art and an item of first interaction with what awaits behind a closed door, Trans invites you to explore more. Elatedly curated, Trans is a celebration of its owners diligence in choosing only the perfect.
TRANS will lead you someplace you never expected.

Ideal for bedrooms and clubs. Suitable for Painted doors, Walnut door and finish.
Sultry

With its carefully nurtured form, Sultry embodies fervour and movement. Passionately curated, Sultry transforms handles from a common item to a prized asset. As each element of a home is consciously picked, Sultry epitomizes the intensity of its owner’s preferences for beautiful home.
Red Building, Pacific Design Centre | Cesar Pelli and Associates
Opening doors to Spirits of Sultry
Ideal for posh outlets and luxury hotel rooms.
Suitable for Golden Oak and Dark Walnut door and finish.
Our constant quest for excellence has once again achieved accolades. A range of our designer mortise handles has been recognized with the prestigious - “I Mark”, by the India Design Council.

“I Mark” is a design standard granted by Indian Design Council following a diligent evaluation process to recognize good design. It symbolizes product excellence in form, function, quality, safety, sustainability and innovation. It thus communicates that the product is usable, durable, aesthetically appealing and socially responsible.

These handles have been recognized with “I Mark” since 2014.
“Wonderment starts when you carefully place Twist on the door.”

Swivelling surfaces of Twist sensitize the ordinary. Intriguingly curated, Twist enthralls even the most withdrawn and proves to be an object of desire.
